Notes on Application for Reactivation of Account in the Primary Care Directory *(Applicable to doctors only)*

1. About the Primary Care Directory

- (a) The Primary Care Directory (the Directory) is a web-based directory containing practice information and professional qualification of primary care providers in the community to facilitate the public to search for their own primary care providers.
- (b) A registered medical practitioner within the meaning of the Medical Registration Ordinance (Cap. 161) who holds a valid practising certificate issued under that Ordinance and commits to the provision of directly accessible, comprehensive, continuing and co-ordinated person-centred primary care services is eligible for enrolment in the Directory.
- (c) Please refer to the Terms and Conditions, and other information of the Primary Care Directory at the website of the Directory (www.pcdirectory.gov.hk) for more details.

2. Maintenance Requirement of the Primary Care Directory:

- (a) To maintain listing in the Directory, an enrolled doctor shall comply with the conditions for maintenance of listing as stipulated in the Terms and Conditions of the Primary Care Directory and the Continuing Medical Education (CME) requirements for enrolled doctors stated therein.
- (b) The Government conducts regular checking of CME status of doctors enrolled in the Directory. The account of an enrolled doctor would be inactivated if he/she is found not fulfilling the CME requirements upon checking.

3. Criteria of Reactivation of Account in the Primary Care Directory:

For reactivation of account in the Directory:

- (a) doctor who are specialists shall be listed in the Specialist Register of the MCHK.
- (b) doctors who are non-specialists shall have obtained:
 - (i) CME Certificate issued by the Medical Council of Hong Kong (MCHK) for the past calendar year preceding the application; or
 - (ii) CME information provided by the CME Programme Administrators certifying that the CME points accumulated in the past calendar year have met the minimum requirement for the MCHK CME certification.

4. Application Procedures:

For doctors whose accounts have been inactivated and wish to reactivate the account, they should fulfill the criteria of reactivation of account as stated in paragraph (3) above and submit the completed and signed Application Form on “Application for Reactivation of Account in the Primary Care Directory” to the Primary Healthcare Office of the Food and Health Bureau by fax, email or post.

5. Processing Application:

- (a) To process the application, the Government will use the information submitted by the applicant, the MCHK and/or the CME Programme Administrators approved by the MCHK or the organization specified in Part II of the Application Form to assess the eligibility of reactivation of account in the Directory.
- (b) The Government will check respective lists published on the MCHK website (www.mchk.org.hk) and/ or, with consent given and authorization granted by the applicant in Part III Undertaking and Declaration of the Application Form, approach the MCHK, the CME Programme Administrators or the organization as specified in the Application Form to collect the information mentioned in paragraph 3 above or other information for processing and verifying the application.
- (c) The Government will inform the applicant via email of whether the application for reactivation is approved or rejected.

- (d) The Government has the sole discretion of determining whether or not to approve the application notwithstanding anything provided therein.
